

Week in Review and Lookahead

Friday, June 3, 2022

This week the GLT team announced that it had **reached the 75% design milestone** for the **D Branch Station Accessibility Improvements project** and will hold a **virtual public meeting** to be conducted on Thursday, June 23, discussing the latest updates. This project will enhance customer experience for riders and make the D Branch the first fully accessible branch of the Green Line

New Projects in Design

- **Lookahead** | Prep work for the **Green Line Train Protection System and Track Upgrades** will take place on the B Branch from Monday, June 6 to Friday, June 10. This work will not affect Green Line service but will require a closure of Commonwealth Ave between Brighton Ave and St Lukes Rd, in the area around Packard's Corner station. During this time, crews will weld rails to prepare for the 3,200 feet of track replacement that will be achieved during Monday, June 20 – Friday, July 1

2022 Construction Schedule

- **B Branch** (Boston College – Kenmore): Monday, June 20 – Friday, July 1
- **C Branch** (Cleveland Circle – Kenmore): Monday, July 11 – Friday, July 22
- **E Branch** (Heath St – Copley): Saturday, August 6 – Sunday, August 21
- **D Branch** (Riverside – Kenmore): Saturday, September 24 – Sunday, October 30
