

Week in Review and Lookahead

Friday, July 8, 2022

Progress continues on [Red Line Transformation](#) projects in design and construction. Read below to learn about our latest updates

Signal Upgrade

Signal Upgrade: Increasing capacity, through reducing headways with modernized signals.

- ✓ **This Week** | Crews continued testing new signal equipment at Harvard, Central, and Park Street locations. New wiring was installed between new signaling devices at Downtown Crossing. The installation of new signal cables began at Ashmont station
- **Lookahead** | Crews will prepare for the installation of the new signal room at Ashmont station. Nighttime signal testing will continue at Central. Deliveries of equipment and materials for Alewife crossover replacement will begin this weekend

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work

Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations

*Schedule subject to change with weather conditions and in accordance with public health directives
