

Week in Review and Lookahead

Friday, July 15, 2022

Progress continues on [Red Line Transformation](#) projects in design and construction, including [signal upgrades on the Red Line this weekend](#). Read below to learn about our latest updates

Signal Upgrade

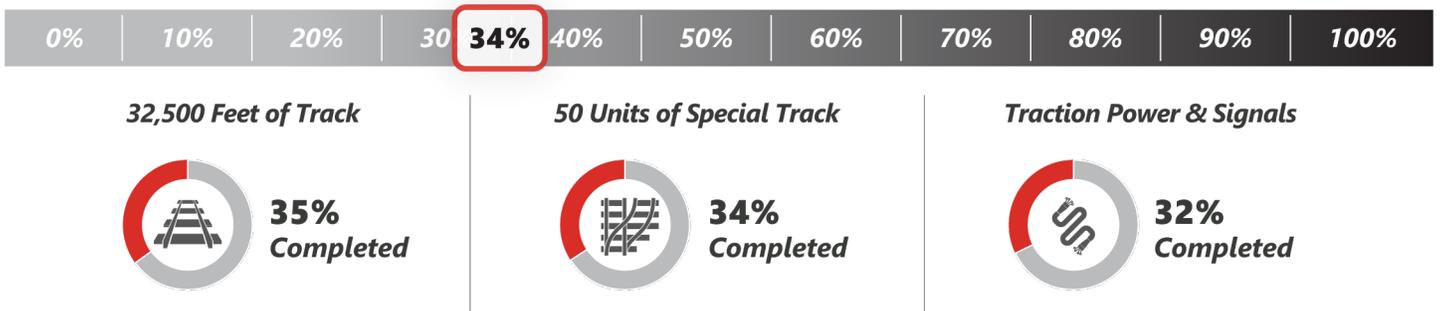

Signal Upgrade: Increasing capacity, through reducing headways with modernized signals.

- ✓ **This Week** | Crews continued testing new signal equipment at Harvard, Central, and Park and continued wiring between new electrical infrastructure at Downtown Crossing. The installation of new signal cable began at Ashmont station
- **Lookahead** | Crews are preparing for the installation of the new signal room at Ashmont station this weekend

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work

Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations
